ABSTRACT

Abstract should convey the importance of your research in a concise and logical manner. The abstract is a synopsis of the original study that addresses the research problem, the information and methods used to address this problem and your conclusions. It should be presented in introduction body research contribution flow. It should present only key points without exceeding a length of 300 words. The abstract is to be in fully-justified text, at the top of keywords in single column format, below the author information

Keywords: *Five Keywords are Required Separated By Commas (Capitalize Each Work Italic)*

1. INTRODUCTION

This guide provides details to assist authors in preparing a paper for publication in JATIT so that there is a consistency among papers. These instructions give guidance on layout, style, illustrations and references and serve as a model for authors to emulate. Please follow these specifications closely as papers which do not meet the standards laid down, will not be published.

the section titles. For subsections, the first letter of each word should be in capital letter and followed by small letters. One line space should be given above the sub section while no space should be given below the heading and text

2.2.2 Identification of sub subsections

Subsub section has to be in sentence case with no spacing above or below the start of it.

3. TABLES AND FIGURES

Figures should be labeled with "Figure" and tables with "Table" and should be numbered sequentially, for example, Figure 1, Figure 2 and so on (refer to table 1 and figure 1). The figure numbers and titles should be placed below the figures, and the table numbers and titles should be placed on top of the tables. The title should be placed in the middle of the page between the left and right margins. Tables, illustrations and the corresponding text should be placed on the same page as far as possible if too large they can be placed in singly column format after text. Otherwise they may be placed on the immediate following page. If its size should be smaller than the type area they can be placed after references in singly column format and referenced in text

2. STYLE OF PAPER

Manuscripts must be in English (all figures and text) and prepared on Letter size paper (8.5 X 11 inches) in two column-format with 1.3 margins from top and .6 from bottom, and 1.25cm from left and right, leaving a gutter width of 0.2 between columns.

Centered at top of the first page should be the complete title of the manuscript, followed by name(s) of author(s), affiliation(s), mailing and email address(es). This is followed by the abstracts under the heading **ABSTRACT**, keywords under the heading **Keywords** and followed by the text. The text should be typed in single space, using a font similar to the one used in this text (**Times, 10 points**). Paragraphs should be separated by single spacing. Each manuscript should **not exceed 10 pages** including illustrations and tables.

2.1 Sections and Subsections

Sections and subsections should be numbered and titled as 1.0, 2.0, etc. and 1.1, 1.2, 2.1, 2.2, 2.2.1, etc. Capital letters should be used for

4. EQUATIONS

When numbering equations, enclose numbers in parentheses and place flush with right-hand margin of the column. Equations must be typed, not inserted.

(If nonstandard fonts are used its better to put equations as images instead of text)

Example:

$$\text{Net}_j = w_0 + \sum_{i=1}^n x_i w_{ij} \quad (1)$$
